MANUFACTURERS & EXPORTERS OF TEXTILE PRODUCTS

SYNCOTEX

ABOUT US

Established in 1976 as manufacturers and exporters of greige fabric and fashion garments, Syncotex has been expanding their product line. Over the years, we have been considered as one of the best and the largest manufacturers and exporters of all Textile products in Pakistan. As an established textile industrialist for last three generations, we are enjoying excellent reputation in both, local and international markets amongst Exporters, Importers, Wholesalers, Converter, Retailers and Mail Order companies throughout the globe covering Europe, USA, Canada and South America.

Our wide range of product line consist of greige to finish fabric such as bleached, dyed, printed and jacquard which are used for home furnishing and Industrial purposes.

Our expertise has always been Home Textile items which includes: Bedding, Curtains, Towelling and Kitchen linen products. Besides, our other textile related items included: Cotton Shopping bags (For promotional purpose) – Fashion & Industrial Garments.

Syncotex is a mix of system that aspires for nothing but the best in terms of quality and standards. Subsequently, we have achieved the reputation for being the best and competitive amongst our competitors worldwide.

Mission & Vision

The fabric in its beauty, versatility, ability to transform home environments and make them more beautiful, elegant, passionate, communicative, human, has always inspired us.

We count these days with varied collections of colors and standards to meet all sorts of needs to make homes more modern, sophisticated and with more color.

Our mission is to satisfy all the needs of our clients, offering quality and excellent service, responding to all the requests within the best deadlines practiced in the sector.
